2022 CHARDONNAY

REGION	Adelaide Hills, South Australia
LOCATION	Adelaide Hills
ALC/VOL	13.0%
VARIETY	100% Chardonnay
OAK	Up to 10 months in mainly older French Oak barrels with limited new oak
RELEASED	June/July 2024

This is the first Chardonnay we have produced since 2004 (Yes, 20 years!). It went out of fashion, mainly due to the wines being over-oaked to the extent of being undrinkable for many people.

Thankfully the style has changed significantly over the past few years and we feel this high quality wine, sourced from a premium vineyard in the Adelaide Hills will appeal to lovers of quality Chardonnay.

The season was long and cool with steady and consistent ripening, resulting in a hand crafted richly flavoured wine with great quality and aromatics, stone fruit, white peach and grapefruit with good natural acidity. Straw colour with a clear finish.

Drink whilst young and fresh, but will develop depth and complexity with cellaring for up to 5 years.
