2022 ROSÉ

| | |
|-----------------|-------------------------------|
| REGION | McLaren Vale, South Australia |
| LOCATION | McLaren Vale |
| ALC/VOL | 13.5% |
| VARIETY | 100% Grenache |
| OAK | Unoaked |
| RELEASED | October 2022 |

For over a decade we have been producing a rose from McLaren Vale, and we have come up with something a bit different each year.

Sourced from old bush vines, we have produced Rosé from Grenache (100%) and Shiraz (100%), and in many years various blends of both varieties. This year we have returned to 100% Grenache fruit.

There was no Rosé in 2020, like many varieties in SA, due to the severe drought and fires in 2019 and early 2020. From premium grapes, dry in style, but with smooth, delicate summer berry flavours, much in the style of the famous Rosés' from Provence in the South of France.

Following on from the Provence style developed by our winemaker Damian Torresan, again in 2022 he has produced a Rosé with very Pale salmon pink in colour, a Rose to be enjoyed all year round. Serve Chilled.
